## **or How to Win Friends and Influence Afghans**

a new play by  
**Rick Mitchell**

music by  
**Ric Alviso**

A satirical examination of the new US policy aimed at making the "War on Terror" more culturally sensitive, **ANTHROPOLOGY; or How to Win Friends and Influence Afghans** features a poor Afghan family struggling to survive as an overpaid private contractor with a predilection for opium, a drug-dealing warlord, an earnest academic, and bawdy shadow puppets battle it out for who controls the story (and the land).

*Starring:* Eric Beck, Darrel Guilbeau,  
~~Ray Haratian~~, Subash Kundanmal,
