## Marquette set in 2/25/09 game versus Connecticut

**1: Dominic James 2: Jerel McNeal 3: Wes Matthews 4: Lazar Hayward 5: Dwight Burke**

The set begins in a double stack at the elbows with the wings emptying to the opposite side. 1 throws to 2 on the right side and cuts through to the left block. On 2's catch, 5 brushes off 4's screen and sprints to screen for 2. However, 5 slips the screen right to the rim. 4 now turns and sets a ball screen for 2. 2 dribbles off the ball screen into the middle of the floor while 4 sprints to use the double screen set by 1 and 5 in the middle of the lane (can be on left block to avoid 3 second call). 2 kicks to 3 on the left wing to send it one more to 4 sprinting to the corner for the open three or 1-on-1 driving opportunity.

**Note: Marquette ran various things off this including a regular pick-and-pop for 4, a double screen (by 4 and 5) after 4 sets the ball screen**
