Nets set play in 11/04/09 game versus Nuggets

"Fist Cross"

Top Left: 2 begins the action by running through to the left wing. 4 sprints to set a ball screen for 1 while 3 runs to set a cross screen for 5.

Top Right: 5 rubs off 3's cross screen into post position looking for the feed from 1.

Bottom left: the play finishes with 4, instead of rolling, running to set a down screen for 3. 1 has the option to hit 5 for the postup or pass to 3 coming off the down screen.
