## Boston Celtics BLOB series from 11/06/09 game versus Nets

**Play 1:** run for a shooter (in this case: Ray Allen). 2 starts on the weak side elbow and runs off the double screen set by 4 and 5 at the strong elbow. On any switch call made by their defender, 4 and 5 are diving to the rim.

**Play 2:** counter to play 1, 2 fakes coming off the double and instead dives to weak side block while 4 pins down on 5's man as he pops to the three point line for an open look. Obviously the 5 must have an ability to knock this shot down (think Rasheed Wallace).
