Summer Vacation Opportunities

Deloitte is the only fully integrated business consulting & advisory services firm in Australia. As an employer of choice for innovative human resources programs, we are dedicated to helping our clients and our people excel.

We have over 150 opportunities for **IT, Accounting, Business, Commerce, Economics, Law, Multimedia, HR and Actuarial** penultimate year students to spend their summer vacation with Deloitte.

The high performance and fun culture of the Sydney & Parramatta offices is attributed to Deloitte's Seven Signals representing 'the way we do things'.

As a Deloitte vacationer you will:

- Be paid to learn and be provided with a platform for entry to our graduate program
- Get some fantastic training and real-life examples of clients
- Receive continuous feedback from your counselling manager and buddy
- Learn the necessary skill of networking and building professional relationships
- Work with the award winning leadership team at Deloitte, and an exciting array of clients
- Begin to visualise the numerous career paths that are available to you at Deloitte

Our Summer Vacation program commences in either December 2007 or January 2008. The program length varies between 5-7 weeks, depending on which service line you work in.

To be successful in securing this valuable Summer Vacation experience, you will be:

- In your penultimate (second last) year of study
- Studying a suitable degree, eg Accounting, Actuarial, Business, Commerce, Economics, Engineering, Finance, Law, HR, IT, Multimedia
- Able to demonstrate a strong blend of academic results at University, and extracurricular activities, part time work or other factors which make you stand out from the rest of your peers.
- Be a permanent resident or citizen of Australia.
